PRE WEDDING SHOOT

Complimentary Pre Wedding shoot . . .

In order that you can relax on your wedding day and not worry about being photographed.

John includes a complimentary photo shoot a few months prior to the wedding.

This gives us all a chance to get to know each other, and for you to become accustomed to alternative relaxed lifestyle photography.

The images from this shoot can make a beautiful start to the "Story Book" album.

These images will be viewed before your wedding, in the same way you view your wedding images, projected on to a large screen.

The pre wedding images can be purchased if required, as an example as gifts for parents or bridesmaids. A very popular option is to choose an image for a "signature keepsake". This is a mounted photograph and your guests sign their good wishes on the mount.

The pre wedding shoot can take place most week days in the Yorkshire area. This may be a

place that is special to you, or at the venue where your reception is being held.

If you are a little more adventurous and would like to do something more unusual, just ask. We love a challenge.
